Earn **25% per sale** selling our premium turnkey and established websites for sale. We constantly are updating our site with new websites for sale for you to sell.

### How do I get setup to sell sites?

As a website reseller you simply [signup FREE via this form](#) and we will get back to you to set you up as a reseller. All training and sales information will be provided for you to easily be up and running.

\*This reseller program does not include setting you up with a website to sell our sites, although if you are interested in becoming a PRO Reseller with your own website sales site we can discuss this in more detail via Email, Phone or Skype.

### How do you track my sales and get paid?

Once you are operating and ready to sell the sites, you will get your own website purchase links that you can send to people to pay to buy a website. The forms are cloaked with your details and are connected to Aquasites.com main website team so that we see a new order has come through so we can begin getting the website online for the purchaser. 25% is instantly sent to your paypal.

### What do I have to do after I sell as site?

Nothing 😊 Our web team is here to take over the process after the sale. You will be sent your commission earnings immediately. If refunds are made, we keep on file that next sale earning will be deducted from the refund order. Thank you.

## What is the difference between Basic Reseller and PRO Reseller?

Basic website resellers get the license to sell our websites and work with our team to setup the sites at discounted prices so the resellers can earn 25% per sale on every website purchased from their efforts. As a PRO Reseller, you will also be setup with your own website sales platform similar to <http://websitesstarters.net> with 50% earning per sale. The PRO Reseller package costs \$650 USD onetime. To become a basic reseller with Aquasites.com is free and you can start selling our sites instantly.
